

U.S. SUBSIDIARY OF WALTON WESTPHALIA DEVELOPMENT CORPORATION ENTERS INTO A MEZZANINE LOAN

Calgary – June 6, 2013: Walton Westphalia Development Corporation (the "**Corporation**") announced today that its U.S. subsidiary, Walton Westphalia Development (USA), LLC ("**WWDU**") and its affiliate, Walton Westphalia Europe, LP ("**WWE**"), (WWDU and WWE are collectively, the "**Borrowers**"), have entered into a mezzanine loan (the "**Mezzanine Loan**") with an arm's length institutional lender to finance initial construction on the Westphalia property. This is in addition to the \$40.95 million USD senior loan (the "**Senior Loan**") that the Corporation announced on June 3, 2013. WWDU and WWE are co-owners of the Westphalia property.

The Mezzanine Loan is a second priority secured loan for up to \$7,285,850 USD with interest accruing at 15% per annum, and payable from cash flow on asset sales. The initial term of the Mezzanine Loan is 36 months and shall terminate with the termination of the Senior Loan. The term of the Mezzanine Loan may be extended in certain circumstances. The Mezzanine Loan will be subordinated to the terms of the Senior Loan and be secured by, among other things, a second-priority deed of trust on the Westphalia property.

Drawdown on the Senior Loan and the Mezzanine Loan is subject to the Borrowers meeting certain standard conditions prior to funding.

Further to the Corporation's press release dated May 16, 2013, certain of the proceeds from the Mezzanine Loan will be used to pay any outstanding amounts owing under WWDU's unsecured non-arm's length demand loan of up to \$3,500,000 USD.

The project remains on track financially and from a timing perspective. As a result of securing the Senior Loan and the Mezzanine Loan, management anticipates that construction on the project will commence by the end of Q2 2013.

Launched in March 2012, the Corporation was formed to provide investors with the opportunity to participate in the acquisition and development of the 310-acre Westphalia property located in Prince George's County, Maryland, U.S.A.
